

Physiotherapy For WCB Patients

Now Accepting WCB Claims — Contracted Physiotherapy Provider in Grande Prairie

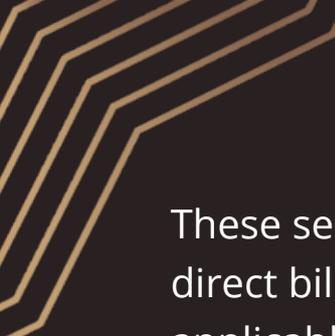

At Hillstar Integrated Health Centre, we are an approved Workers' Compensation Board (WCB) physiotherapy provider, giving you fast, coordinated access to care for work-related injuries with no out-of-pocket cost for your physiotherapy appointments. Our WCB contract ensures timely assessment, structured rehab plans, and clear communication with your case manager — all designed to help you recover safely and confidently return to work.

What WCB Physiotherapy Includes

- Initial Assessment within required WCB timelines
- A personalized rehabilitation plan tailored to your injury and job demands
- Progress reporting to WCB and your case manager
- Return-to-work guidance and functional strengthening
- A team-based approach focused on restoring your movement, strength, and long-term health

Integrated Care Options (Optional & Out-of-Pocket)

Your WCB claim covers approved physiotherapy services related to your workplace injury. In some cases, your practitioner may recommend additional services — such as chiropractic care or massage therapy — to further support your recovery and overall rehabilitation.

These services are not covered under WCB. However, we offer direct billing to most extended health insurance providers where applicable. Any portion not covered by your insurer would be the patient's responsibility.
